

Payments for BMFA insurance and CAA registration should be made directly to the respective parties. Both payments can be combined on the BMFA website and we've created a short guide.

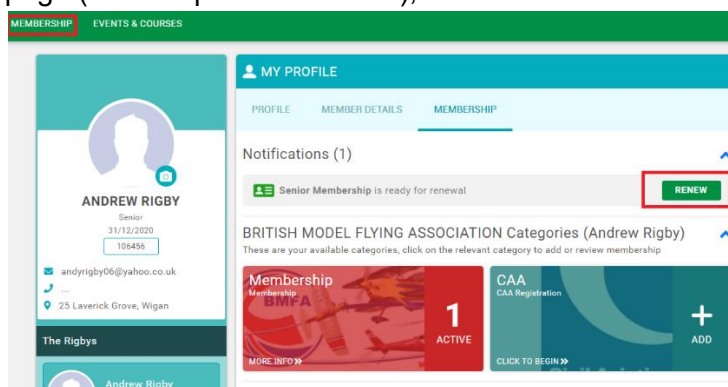

If you already have access to the BMFA membership portal, please login here: <https://bmfa.azolve.com>

If you don't have access to the BMFA membership portal, you can gain access here: <https://bmfa.org/Join-Renew/Join-the-BMFA>

Once you have access to the portal and have logged in, follow these instructions to complete your membership for 2023.

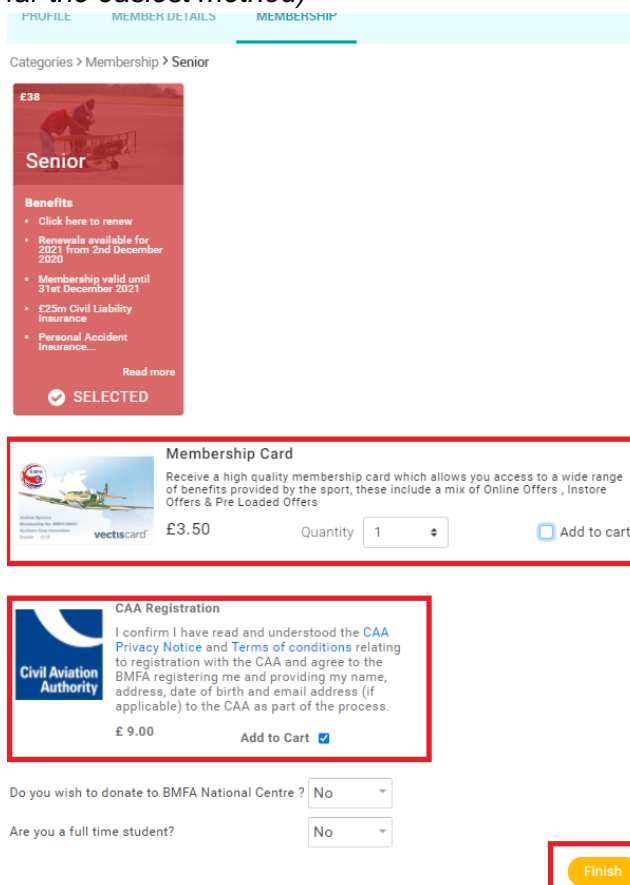

Step 1

Within the "Membership" page (at the top of the website), select "Renew"

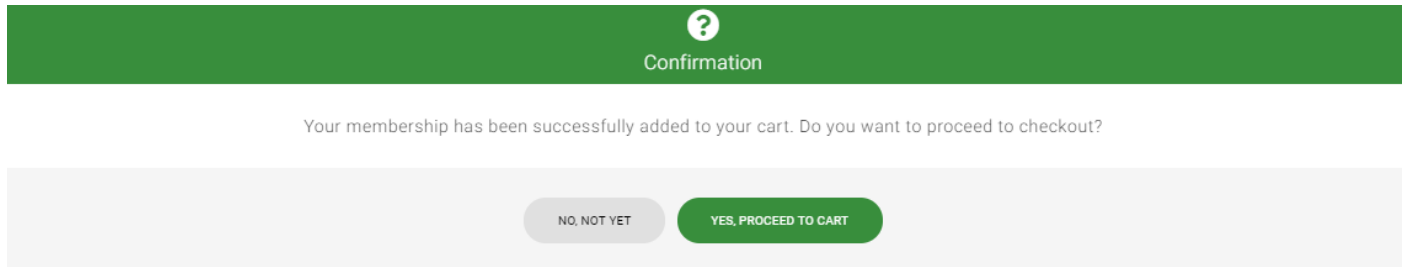

Step 2

On the next screen, it will have pre-selected your membership type for renewal. Additionally, you will need to manually select if you want a £5.50 membership card and £10 for the CAA registration. *The membership card is completely optional, but the **CAA is mandatory** – you can purchase this via the BMFA, via the CAA website or LMA (BMFA is by far the easiest method)*

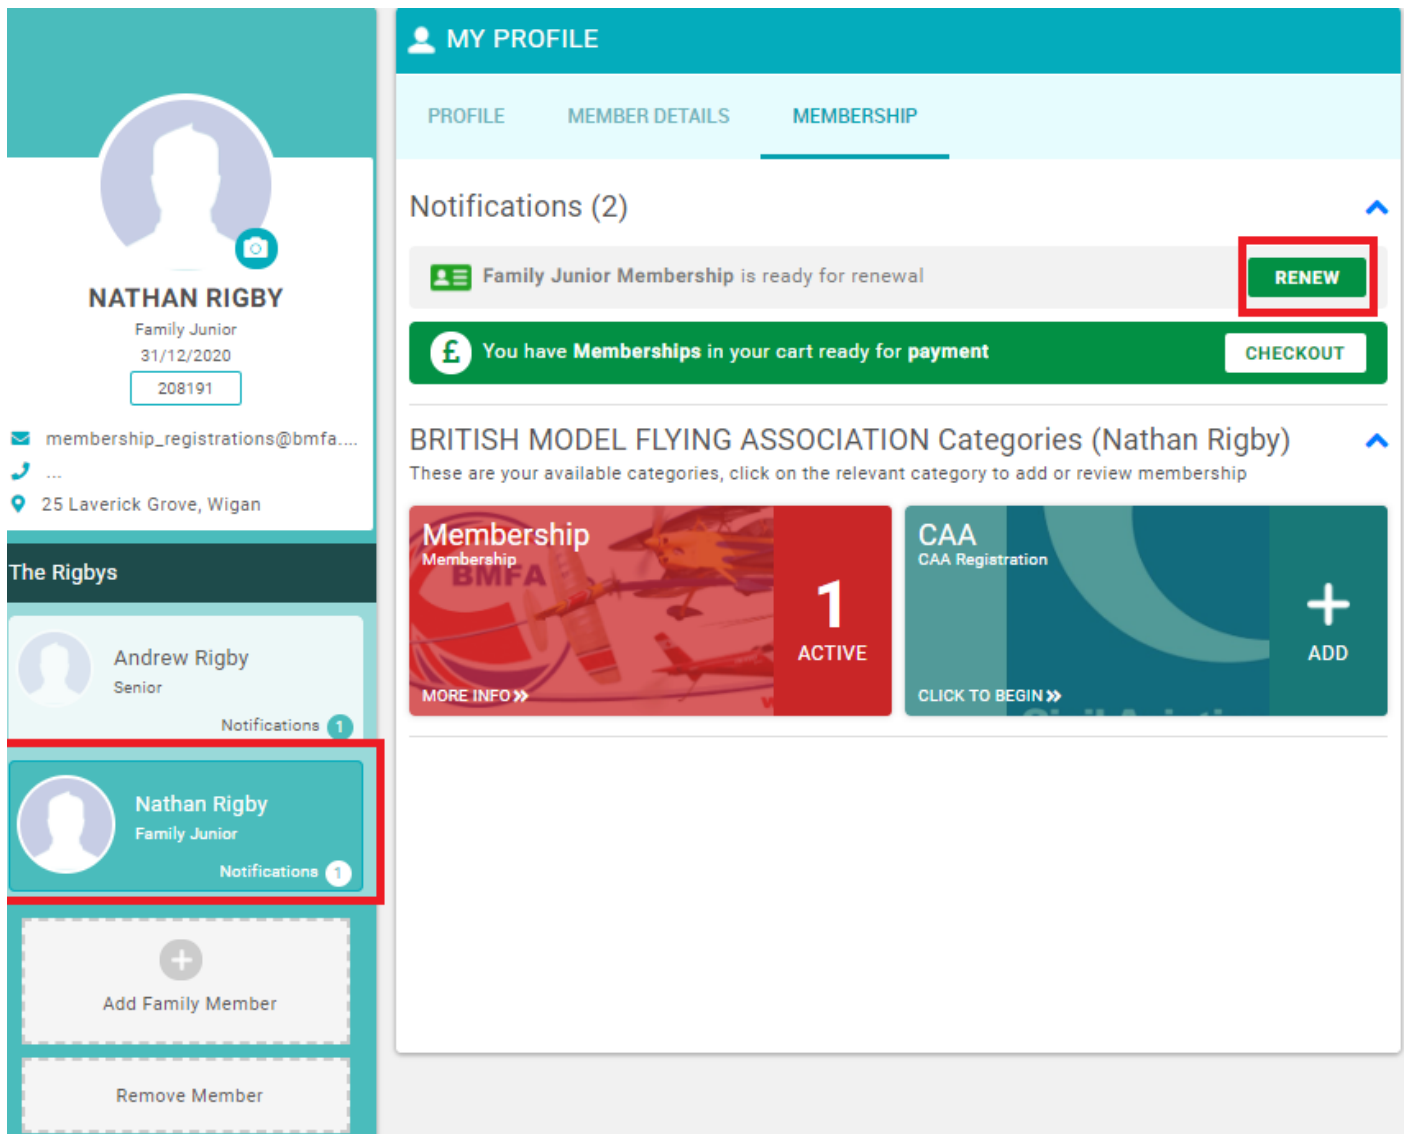

Step 3

You will then be asked if you want to proceed to the checkout. If it's a sole membership, then click "yes" (go to step 7). If you're processing more than one memberships, then click "no, not yet" (go to step 4)

Step 4

For a family member, or family junior you can then select that member as per the example below and click "renew". Then follow the guide as above. *Nb: a junior member does not need CAA registration.*

Step 5

On the next screen, select which membership type is applicable, i.e. junior, family junior or family partner. Then click “Finish”
